### Product description

**SAFE AGEING:** Age your most beautiful bottles, protect them and bring them to their full potential! All ageing parameters are controlled: temperature, hygrometry, vibrations, air renewal and protection against light.

**EUROPEAN MANUFACTURING:** Designed by our teams in France and designed in Portugal, the RESERVE aging cellars from CLIMADIFF are manufactured in accordance with strict specifications and offer excellent conservation solutions that meet the highest quality standards. Reliable and aesthetic, the cellars are designed to optimize the conservation of wine and offer their owner a unique experience, with a sound level of only 35 decibels, their comfort of use is unrivaled.

**PREMIUM EQUIPMENT:** Equipped with solid wood shelves, RESERVE cellars offer the possibility of personalizing the interior configuration of the cellar to optimize storage, enhance your bottles or make them easier to handle. Fixed, sliding, display shelves or even drawers and boxes allow you to create a tailor-made cellar.

#### LOW NOISE LEVEL

Experience tranquility with our silent wine cellar and install safely your collection at your living space

#### LARGE CAPACITY

Store all your current and incoming wines thanks to its large capacity

#### LED LIGHT

LED lighting highlights the wine without harming it or disturbing its storage

#### LOCK

Secure your wine collection in all time
