## Product description

### The wine cellar that enhances your tastings

This single-zone wine cellar is specifically designed to fit into a 45 cm niche dedicated to microwaves, offering an elegant and practical solution for wine enthusiasts.

It allows you to store your wines at the ideal temperature, bringing out the full richness of their aromas.

Its compact and modern design integrates perfectly into your space, while providing optimal control of storage conditions. The reversible door offers maximum flexibility to adapt to your setup, and the compatibility with the Vinotag app allows you to manage your wine collection like a true professional. A concentrate of technology and refinement for your finest vintages.

#### WOODEN SHELF

Traditional and aesthetic they absorb vibrations

#### REVERSIBLE DOOR

Adapt the direction of opening of the door to easily install the cellar in the location of your choice

#### LED LIGHT

LED lighting highlights the wine without harming it or disturbing its storage

#### VINOTAG COMPATIBLE

Free wine cellar management application. Access a virtual representation of your cellar and a detailed inventory
