SAFE AGING

RESERVE aging wine cellars combine all the ideal conditions offered by the best traditional underground cellars. Age your most beautiful bottles, protect them and bring them to their full potential! All aging parameters are controlled: temperature, hygrometry, vibrations, air renewal and protection against light.

EUROPEAN MADE

Designed by our teams in France and designed in Portugal, CLIMADIFF RESERVE aging cellars are manufactured according to strict specifications and offer excellent storage solutions that meet the highest quality standards. Reliable and aesthetic, the cellars are designed to optimize wine conservation and offer their owner a unique experience, with a sound level of only 35 decibels, their comfort of use is unmatched.

PREMIUM EQUIPMENT

Fitted with solid wood shelves, RESERVE cabinets offer the possibility of customizing the interior configuration of the cabinet to optimize storage, enhance your bottles or make them easier to hold. Fixed, sliding, presentation shelves or even drawers and boxes make it possible to create a made-to-measure cellar.

Eco-responsibility

Our products are manufactured in compliance with European environmental rules. Especially, refrigerant fluid (R600a) doesn't reject neither CFC nor HFC and respect environment.

Energy consumption is calculated based on the result obtained for 24h in standard test conditions. The actual energy consumption depends on the conditions of use and location of the device.

This equipment is designed to be used in an ambient temperature between 10°-32°C.

This appliance is intended to be used exclusively for the storage of wine.

Alcohol abuse is dangerous for health, please consume in moderation.

*Capacity given as an indication with 75cl Bordeaux traditional type bottles and measured with 4 shelves. Adding shelves reduce considerably the total capacity.

**Thanks to the Vinotag® application, benefit from a digital register of your wine cellar and be alerted of the peak dates of your wines. In partnership with Vivino, scan your bottle to access its pre-filled wine sheet.
